

Purple Flag for Dementia Care

What are the Benefits of Accreditation?

Achieving a Higher Quality of Life for Persons with Dementia

40% of residents in
residential facilities,
including Assisted
Living, have Alzheimer's
or other dementias.
*Data provided by Alzheimer's Association.

Choosing a dementia care provider is a
difficult task for those seeking care for
a loved one. Purple Flag accreditation
provides an extra level of confidence.

SETS A PROVIDER APART
